CONFERENCE PROCEEDINGS

You can also publish your article in a special issue of the IOP Conference Series: Earth and Environmental Science (<http://iopscience.iop.org/journal/1755-1315>). Published articles will be distributed under the Creative Commons Attribution (CC BY) license (creativecommons.org/licenses/by/4.0).

**REQUIREMENTS FOR SUBMISSION OF ARTICLES IN ENGLISH FOR PUBLICATION
IN THE JOURNAL
IOP CONFERENCE SERIES: EARTH AND ENVIRONMENTAL SCIENCE**

ESSENTIAL REQUIREMENTS

Original research papers on the topics of the conference round tables will be considered for publication, if they follow the guidelines of the publisher. Articles should be prepared strictly in accordance with the template provided and written in correct English.

An article can have no more than five co-authors.

Materials must be sent to ftulesarf@gmail.com as an attachment to an email **in doc or docx format**

by 15th April 2021

File names should consist of **the number of the section and the surname of the first author** (example: 1_Petrov.doc).

Together with the article, you must submit:

1. A scanned copy of the [author's statement](#) signed by all authors of the article,
2. A scanned copy of the expert opinion (issued by the organization of one of the co-authors).

Articles will not be accepted for publication without the accompanying documents listed above.

The average size of articles is 5-8 pages in A4 format. When preparing articles, the page **margins** should be: top - 4 cm; right and left - 2.5 cm; bottom - 2.7 cm. Format: Microsoft Word editor, Times New Roman font, line spacing - single, font size of the main text - 11 p.

PLEASE, BE AWARE THAT THIS INFORMATION LETTER PROVIDES ONLY THE BASIC REQUIREMENTS FOR PREPARATION OF ARTICLES. A full list of requirements for publishing articles is available on the publisher's website:

We recommend using the files provided by the IOP publisher for the correct formatting of articles :

- 1) JPCSA4Template.docx article template,
- 2) instructions for using template JPCSWordTemplateGuidelines.doc
- 3) JPCSExampleWordDocument.docx article formatting guide.

These files can be downloaded from:

<http://cms.iopscience.iop.org/alfresco/d/d/workspace/SpacesStore/f67538ae-18b2-11e4-831a-29411a5deefe/WordGuidelines.zip>

Requirements for the list of references can be downloaded from:

<http://cms.iopscience.iop.org/alfresco/d/d/workspace/SpacesStore/999bfe76-32dc-11e6-a415-496188f8a415/References.pdf>

The article should have the following sections. **Valid section names:**

1. *Introduction.*
2. *Experimental Part or Methods and Materials or Calculations,*
3. *Results and Discussion,*
4. *Conclusion or Summary,*
5. *Acknowledgments,*
6. *References.*

The names of subsections and sub-subsections can be any at the discretion of the authors.

We strongly recommend that the authors send a **Russian translation** of the article to reduce the time required for verification.

The conference organizers reserve the right to reject a submitted manuscript.

The organizers reserve the right to conduct selective language editing of submitted manuscripts with the authors' permission and the right to return manuscripts to the authors for revision.

Authors who need **help in preparing an article in accordance with the requirements** of the IOP Conference Series: Earth and Environmental Science can contact the Department of International Cooperation of St. Petersburg State Forest Technical University whose staff will provide highly qualified **services in translating text into English, editing and formatting**. E-mail: icffi@spbftu.ru; +7-812-910-73-26, +7-921-670-93-20.

The registration fee is paid **only after confirmation** of acceptance of the article for publication.

The issue of the journal IOP Conference Series: Earth and Environmental Science will be published within four months after notification of the authors about the acceptance of articles for publication.

REGISTRATION FEE WITHOUT PUBLICATION

License to publish materials (for authors' information)

Conditions

By submitting your article to the Conference Organizer, you, as the author / representative of all authors, grant IOP Publishing Limited (IOP) a Royalty Free license¹ to use copyrights, including the right to reproduce, distribute and publicize articles under a Creative Commons license " Attribution " (<http://creativecommons.org/licenses/by/4.0/>), moreover, the IOP may use this right in relation to the dissemination of information around the world and by any means known or unknown to the Organizer at the time of submission of the Work.

According to this license, after the submission of the article, the copyright for it is not transferred, but remains with the authors or their employers, in the prescribed manner. The IOP encourages authors to use the articles, provided they cite the source and the IOP License wherever possible. A link to the online publication of an article in the IOP magazine is mandatory when using the article in electronic form, moreover, the authors have no right to offer this article to another publisher (until rejection) or publish it on the website of another publisher.

However, a rewritten and expanded version of the article may be published in another journal, provided that such reuse does not go beyond the scope of generally accepted scientific ethical standards and provided that a link to the original source and a link to the IOP License are provided; when used in electronic form, it is necessary to add links to online publication of the article.

By granting a license, the author confirms that the article he / she is submitting is his / her original work, has not been previously published (except in the form of a research work or dissertation, and this fact is communicated to the Organizer in writing). The author confirms that all the authors mentioned have made a significant contribution to the article, are familiar with its final version and agree to be responsible for submitting the article for publication, and that this submission has been approved in the prescribed manner by officials of the organization where the research work was carried out.

By granting this license, the author also confirms that he / she acts on behalf and with the consent of all authors of the article, that the article does not violate the rights of third parties, does not contain libel, all factual statements, according to the latest information of the authors, are true or based on reliable studies carried out in accordance with accepted standards and all required permissions have been obtained.

¹a type of license in which payment for a purchased product, including technology, is made only at the time of purchase. Under this license, there are no additional payments from the buyer for each use of the product (or the release of each new unit of product, if the technology was purchased)
