8. Economic development based on the use of modern digital technologies

**REQUIREMENTS FOR SUBMISSION OF ARTICLES IN ENGLISH FOR PUBLICATION  
IN THE JOURNAL  
IOP CONFERENCE SERIES: EARTH AND ENVIRONMENTAL SCIENCE**

**ESSENTIAL REQUIREMENTS**

Original research papers on the topics of the conference round tables will be considered for publication, if they follow the guidelines of the publisher. Articles should be prepared strictly in accordance with the template provided and written in correct English.

Materials must be sent to **digitalforestftu@gmail.com** as an attachment to an e-mail **in doc or docx format**

**no later than March 01, 2021**

File names should consist of the number of **the publication topic** and the surname of the first author (example: 1\_Petrov.doc).

Together with the article, you must send:

1. a scanned copy of the author's statement signed by all co-authors.

**Sample copyright statement:**

2. a scanned copy of the expert opinion (issued by the organization of one of the authors).

Articles will not be accepted for publication without the accompanying documents listed above.

The average size of articles is 5-8 pages in A4 format.

Attention:

**DETAILED PUBLISHER'S REQUIREMENTS will be provided in the 2nd information letter**

The conference organizers reserve the right to reject a submitted manuscript.

The organizers reserve the right to conduct selective language editing of submitted manuscripts with the authors' permission and the right to return manuscripts to the authors for revision.

Authors who need **help preparing an article in accordance with the requirements** of the IOP Conference Series: Earth and Environmental Science can contact the Directorate of International Relations of St. Petersburg State Forest Technical University. The Directorate of International Relations provide **professional assistance in editing, proofreading, referencing and formatting research manuscripts** on the topics of the conference. E-mail: icffi@spbftu.ru; phone: + 7-921-910-73-26, + 7-812-670-93-20.

The registration fee is paid **only** after confirmation of acceptance of the article for publication.

The issue of the journal IOP Conference Series: Earth and Environmental Science will be published within four months after notification of the authors about the acceptance of articles for publication.

**REGISTRATION FEE**

**For foreign citizens: publication of an article in a special issue of the journal IOP Conference Series: Earth and Environmental Science** (the total number of authors is no more than five) – **250 Euro / article** including VAT.
